PSHS IS TIGER COUNTRY. 1987 was a plentiful year for us. We gained a very large sophomore class and graduated an extremely talented senior class. Homecoming celebrations, football victories, club trips, holidays, and the prom were the happenings that made the year eventful. We welcomed Mr. Doug Sparks to our administration and said goodbye to Mrs. Evelyn Bareford who retired. Enjoy your safari through TIGER COUNTRY. We hope you'll enjoy the trip.

NOTES OF INTEREST

This year's leading rusher was senior Tony Wallace with 1,052 yards and 16 touchdowns. The leading tackler was senior Allen Terry. Roughly, the team averaged 3 touchdowns a game and gave up 7 points per game.

The 1986 football season was a tremendous success for the Tigers. The season ended with a 9-1 record, a tie for area championship, and a ranking of 6th in the state. The season began with five straight wins which placed the Tigers 2nd in the state. Then, the team had their only loss of the season against Charleston, but they more than made up for it by winning the last four games of the season. Because of the totel team effort, Tiger fans got to support them in the state playoffs held in Morgantown. The playoff game against Brooke ended in a loss for the Tigers. But, as always, they are first in our hearts!

With Smokeless Tobacco, You Could Be His Spittin' Image.

Why would anyone use smokeless tobacco? After all, there's evidence that smokeless can cause cancer. And cancer could claim your cheek. Your jaw. Maybe even your life. So before you have a dip or a chaw, be sure to use your head. While it's still all there.

Don't Use Smokeless. Give Yourself The Chance Of A Lifetime.

Julie,

This YEAR & the PAST 3 YEARS have really been a blast. I'm glad I got to meet you because you are a very funny (at times) person. Remember our play with Craig Bailey and your teased hair. That was our most memorable year. As you told me last year, "Don't forget Boppin B..." Julie, you're a great friend and I hope you find all the joy out of life that it has to offer. I wish you the best of luck in the future with everything. Try not to wreck if you get a car. I mean really, all of that drivers Ed. we had last year should have taught us something. I hope we keep in touch over the summer and the years to come because in the past 3 years you have become one of my best friends.

Try not to study too extremely hard.

Lots of Luck

Love ya lots,

Buffy Baldwin

Julie,

Hey! It's been a fairly interesting year to say the least. It's been fun though it would have been a drag if we didn't have old Retha Wawer. Hey I don't know what I would have done with all that spare time but she sure took care of that little problem! Well, We survived. I wish you all the best in the world & good luck in everything you do.
